

February VCOI training days

On February 21st and 22nd 2015 the VCOI will be having training days at Des Plaines SFWA West grounds in Wilmington, Illinois. I will be there on Saturday the 21st only. I will try to have an instructor there on Sunday the 22nd. The cost will remain at \$ 5.00 per bird. There will be no concessionaire on that weekend so please plan on your own food and water. The building will be open to stay warm. We also will have a dinner that evening. If you would like to come please have a dish to pass. On Saturday I will limit to working with 5 dogs for the day. First 5 to email me that they are coming and a limit of 4 birds per dog. I am doing this because we have a puppy this year and he is going to take up the afternoon for me. If you would like a box of birds 20 it will be the cost plus the cost of the box.
